Subject: Need to reschedule today's PRP call

Hello PRP Team:

With considerable embarrassment, I must postpone today's scheduled call on the draft PRP. Bottom line- I was unable to do a thorough review of the document that Ash compiled, and I don't want to waste everyone's time by bluffing my way through a meeting. Instead, I plan to spend today flyspecking and actually reflecting on the 92-page draft and providing everyone with meaningful comments by the end of the day.

Again, my apologies... I know we need to get this done

Chris
